

FALL FESTIVAL 2019

In order to provide our city with a fabulous event please check out these rules and important details for the event:

SET-UP & BREAKDOWN

1. Set-up will be allowed only on Saturday, October 26th for vendors from 11am to 1pm.
2. All set-up must be completed by 1pm and there will be **no vehicle traffic on Main Street during the festival.**
3. Vendors **MUST NOT** start to breakdown their display until 6pm Saturday. In the interest of guest safety, barricades will not be opened for vendor load-out until 6:15pm on Saturday.
4. **Check-in Point for ALL VENDORS:** All vendors **must** check in at Main Street & W Walnut Ave (By Dan's Discount Jewelry & Pawn).

ABSOLUTELY NO EXCEPTIONS!!! Vehicles are asked to enter through the Southside of Main Street by the Exxon Gas Station (Hwy85) and go through the Check-in Point. A Main Street Crestview (MSCA) volunteer will give you a card with your booth number and point you in the right direction. MAP WITH DIRECTIONS IS ATTACHED.

5. ***Only MSCA volunteers will be able to place vendors!***
6. After you find your booth space please drop off your items and remove your vehicle immediately by leaving Main Street going north (towards the courthouse) to avoid any chaos to park your vehicle. Do not turn around your vehicle to go south!
7. ***All helpers are volunteers so please be patient with us as we do our best to serve our vendors and our city during this event ☺***

TECHNICAL DETAILS:

1. Remember- we only supply the space for your booth. You will have to provide tents, chairs, tables, etc. for your stand. Remember that it can get windy-bring something to hold things down (tent, tablecloths, etc.)
2. **VENDORS:** Please bring extension cords (100"-150") and breakers, labeled with your name) if you require electricity and water hose (100"-150") & connectors. We **highly recommend** bringing your own generator **just in case.**

3. Regular Electrical power consists of **one** 15-amp circuit.
4. We try our best to accommodate your placement request but can't guarantee it.
5. Please clean up after yourself and leave Main Street the same way you found it.
6. There will be several garbage receptacles on site
7. Any GREASE or hot charcoals CANNOT be disposed on site. We apologize for this inconvenience.
